This Service Agreement ("Agreement")

is made and entered into on **November 1, 2025**, by and between:

1. Service Provider

GenShifter Technologies PLC

Bole Dembel, TG's Building, 12th Floor, Addis Ababa, Ethiopia

Tel: +251 910 81 3571 | Email: info@genshifter.com | Web: www.genshifter.com

Represented by: **Mr. Abdi Aliko**, Chief Executive Officer

(Hereinafter referred to as the "Service Provider")

2. Client

Les Kick't

Represented by: Haftom Tafere

Tel: *+1 (206) 556-8402*

(Hereinafter referred to as the "Client")

RECITALS

WHEREAS, the Client desires to establish a comprehensive **digital web application ecosystem** for Les Kick't to centralize event management, player registration, online payments, merchandise sales, and community engagement;

WHEREAS, the Service Provider possesses the technical expertise, creative capacity, and proven track record to design, develop, and deploy a **feature-rich, scalable, and secure Web Application** in line with the functional and non-functional requirements outlined in the *Les Kick't Technical Proposal (2025)*;

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, the parties agree as follows:

1. SCOPE OF WORK

The Service Provider shall design, develop, test, deploy, and support a **fully responsive and integrated Web Application** ("Les Kick't Platform") to digitally transform the Client's engagement ecosystem.

1.1 Core Modules

A. **Landing & Navigation System**

- Dynamic landing page with interactive hero sections, featured events, shop highlights, and brand visuals.
- Adaptive menu architecture for clear user navigation across Home, Events, Shop, Gallery, and Contact.
- SEO-optimized structure and multilingual readiness.

B. **Events Management System**

- Creation, scheduling, and promotion of tournaments and matches.
- Online team/player registration with secure digital payment gateways.
- Automated email/SMS confirmations, countdown timers, and real-time notifications.
- Administrative dashboards for event analytics and participant tracking.

C. **Team & Player Registration**

- Dual-mode registration (individual/team) with automated data validation.
- Participant dashboards to track event history and payments.
- Team leader panel for roster management, communication, and reporting.
- Real-time reminders, status tracking, and result updates.

D. **E-Commerce & Merchandise Module**

- Complete online store with categorized product listings (apparel, accessories, equipment).
- Cart management, coupon system, and secure checkout.
- Order tracking, stock management, and dynamic promotions.
- Admin controls for product catalog, pricing, and reports.

E. **Gallery & Media Center**

- Integrated photo/video galleries categorized by event or theme.
- YouTube/TikTok embedding with lightbox viewer and share options.
- Admin capability for upload, tagging, and visibility management.

F. **Social Media & Engagement**

- Real-time integration with Instagram, TikTok, and YouTube feeds.
- Share buttons and live update widgets across all modules.
- Engagement analytics for social interactions and post reach.

G. **Administrative Dashboard**

- Role-based access control for content, media, event, and product management.
- Centralized analytics, reports, and user behavior insights.
- Configuration settings for branding, contact info, and payment gateways.

H. **System Analytics & Insights**

- Real-time monitoring of traffic, sales, registrations, and engagement metrics.
- Exportable reports for decision-making and management reviews.

2. NON-FUNCTIONAL REQUIREMENTS

- **Performance:** Optimized load time under 3 seconds; CDN and caching enabled.
- **Security:** End-to-end encryption (SSL/TLS), RBAC, CSRF/XSS/SQLi protection, and GDPR compliance.
- **Scalability:** Modular architecture supporting feature extensions and mobile integration.
- **Reliability:** 99.9% uptime with automated backups and failover support.
- **Accessibility:** WCAG 2.1-compliant design for cross-device and inclusive access.
- **Maintainability:** Version-controlled structure supporting CI/CD workflows and modular updates.

3. DELIVERABLES

The Service Provider shall deliver:

1. A fully operational web platform meeting all defined functional and non-functional specifications.
2. Source code, system documentation, and API specifications.
3. Administrative user manual and video tutorials.
4. Training for the Client's designated personnel.
5. Deployment on live server and domain configuration.

4. PROJECT TIMELINE & MILESTONES

Total Duration: 4 Weeks

Phase	Activities	Duration	Deliverables
Phase 1	Requirement Analysis, Design Approval	Weeks 1–	UI/UX prototypes, architecture plan
Phase 2	Core Module Development	Weeks 2–3	Event, Registration, and Shop Modules
Phase 3	Integration & Testing	Weeks 3–4	Complete functional testing
Phase 4	Deployment & Training	Weeks 4	Live deployment, admin training, warranty activation

5. PAYMENT TERMS

Total Contract Value: $2,000 USD

Payment Schedule:

- **40%** upon contract signing → $2,000 × 0.40 = **$800 USD**
- **30%** upon completion and approval of core modules → $2,000 × 0.30 = **$600 USD**
- **30%** upon final deployment and acceptance testing → $2,000 × 0.30 = **$600 USD**

Payment Method:

Via ***Zelle*** transfer or ***Cash deposit*** to: **+1 2 0 6 3 5 3 5 3 7 3**

(Account Holder Name): **BONI BIRASSA**

6. CHANGE MANAGEMENT

Any modification to the project scope, features, or timeline after contract signing shall be mutually agreed upon in writing through a **Change Request Form (CRF)** detailing impact on cost, time, and deliverables

7. WARRANTIES & SUPPORT

- **Warranty Period:** 12 months post-deployment, covering bug fixes, stability enhancements, and performance tuning.
- **Response Time:** Within 48 hours for critical issues during the warranty period.
- **Post-Warranty Support:** Renewable annual maintenance plan for upgrades, backups, and security monitoring.

8. INTELLECTUAL PROPERTY RIGHTS

All intellectual property including source code, UI/UX designs, content, documentation, and related materials shall be **transferred to the Client** upon full payment.

The Service Provider retains rights to generic frameworks and reusable components developed independently prior to this Agreement.

9. CONFIDENTIALITY & DATA PROTECTION

Both Parties agree to:

- Protect all proprietary, personal, and financial information exchanged under this Agreement.
- Use data solely for the purpose of executing this project.
- Comply with data protection laws and best practices for information security.

10. TERMINATION

Either Party may terminate this Agreement with **30 days' written notice**. In such event, the Client shall compensate the Service Provider for all work completed up to the effective termination date.

11. FORCE MAJEURE

Neither Party shall be held liable for non-performance caused by events beyond reasonable control, including acts of God, war, or government regulations.

12. GOVERNING LAW & DISPUTE RESOLUTION

This Agreement shall be governed by the laws of the **Federal Democratic Republic of Ethiopia**.

Any dispute arising hereunder shall be amicably resolved through negotiation, failing which the matter shall be submitted to arbitration in accordance with Ethiopian arbitration law.

13. ENTIRE AGREEMENT

This document constitutes the entire understanding between both Parties and supersedes all prior proposals, discussions, or communications relating to the project.
